1L Year End Highlights

Please read more about each of these highlights on the back of this newsletter or on the latest blog:

Wow 2019! We have seen students/adults commit their lives to Jesus! One Love Curriculum was written and used here on Maui, in two camps in the Carolinas, and for disciple cycles by 1L Reps and our intern. So thankful! *We have been busy working to be a positive presence in the skate community with Life Groups, Discipleship Curriculum, and Pop-up Events.*

In addition to skateboard products and supplies for ministry, over 10% of all finances that came in have helped support international and national mission partners who live the One Love of Jesus. This amounted to over \$4,000 given away to mission partners in 2019.

You are vital to One Love, helping us ↑ Love God and ↓ Love People!

2019 Highlights From 1L Reps

"I have vision to see a skateboard discipleship training school at YWAM Maui."-Brody Addington

Brody Addington Update:

"I'm serving along side YWAM Maui as we train, disciple and send our missionary's. I serve in the maintenance department. This weekend we're sending out 3 teams to 5 different nations. I have a heart for Nepal and plan to go for possibly three months or a year whatever the LORD says. I have vision to see a skateboard discipleship training school at YWAM Maui."

Auburn Flores Update:

In the beautiful town of Laramie, Wyoming I have been busy working with others on improving the town's skatepark and social scene. OneLoveSkate has donated products to help raise money toward expansion. I would like prayer about donating more time to do video/photo content from my media business to help accomplish this, and also for OneLoveSkate to start operating weekly life groups here in Laramie.

Sam Peralta Update:

This past year we had 50 young adult volunteers in our public school ministry. One highlight for me was supporting our Hawaiian Immersion school here on Maui by organizing sports and building relationships on Fridays with our ministry team. Another highlight has been that our Jr. High ministry has grown deeper in our relationships with one another though the weekly ministry. We take 30 Jr. High school students on ministry trips weekly. At University of Hawaii Maui, I have been able to reach

out to our international student community. We took a group out to Hana for thanksgiving diner to celebrate with one another. Been a great year, learning to stay humble and give my best serving in our local church!

THANKS FOR HELPING US LIVE THE ONE LOVE OF JESUS!

One Love supports our family here in Maui along with others who rep the One Love of Jesus. Our family depends on the financial support of One Love Skate along with Joshua's full-time position as the Life Groups Pastor at Waipuna Chapel. We are thankful for the marriage between these ministries over the past 2+ years.

Thanks for making it possible for us to be 1L missionaries by supporting us with your prayers and finances!

If you are interested in supporting our ministry financially, find out more about setting up monthly donations or one-time gifts on our website:
