

# ONE LOVE SKATE

↑ KNOW THE LOVE, ↓ SHOW THE LOVE

## Spring Update

### A MESSAGE FROM THE MISSIONARIES:

We Marburgers are so thankful to have family and friends like you who encourage and support us through all the seasons of life—in sickness and in health, haha! It has been quite the faith stretching season with my 3 cancer-related surgeries over the past 14 months, phew! Praise God that I am on the mend, and by God’s grace—cancer free! As we flex and flow with the times, the boys have been growing in all senses of the word. Caleb is about eye level with mama, Paul’s artwork continues to awe us, and Silas’s stories keep everyone belly laughing! We’re stoked that they all just finished a season of fun in flag football. Joshua continues to enjoy the ride as the Life Groups Pastor at Waipuna Chapel and a Missionary through One Love Skate. We love journeying with people in a growing relationship with Jesus, loving God, loving others, and serving the world. With the continued goal of living the One Love of Jesus as a positive presence in the skate community, Joshua and I wanted to share a special MAHALO (thank you) to all of our 1L Reps, partners, and supporters as we “live shoulder to shoulder as soldiers in God’s kingdom!”

### PRAY WITH US:

Please pray for wisdom for our family as we navigate life and ministry.

## 1L Life Groups

### LIFE GROUP CONSISTENCY:

We’ve been stoked to have made Wednesday 1L LG a regular thing at the Upcountry Skatepark. We talk story, skate, climb trees, and just enjoy each others’ company before gathering to hear a lesson on a 1L Skate Core Value. In recent months, we’ve had birthday celebrations on the first Wednesday of every month, and we’ve been having students share the lessons. So cool! Thank you, Jesus!

### FEBRUARY BAPTISM:

We love that two of our 1L LG regulars, a leader and a student, had a conversation during group about baptism. It led to a celebration the following Sunday at our church! Welcome to the family, Kalia!

### PRAY WITH US:

Please pray for the skate community to be transformed by the One Love of Jesus. Pray for growth, continued steps of faith and obedience.

### SUTHERLAND:

If you’ve noticed the freshness of our website and social media platforms, you can thank this guy! We’ve recently brought Josh Sutherland on board as our 1L Creative Director. He and his wife Kristy are talented creatives, and we really appreciate them!

### PRAY WITH US!

Please pray for 1L to reflect God’s creative nature.

### SKATEBOARDS TO ZAMBIA:

We recently received this picture after partnering with “Seeds of Hope” to sponsor 50 skateboards for Christmas for students at Grace Academy in Zambia.

### PRAY WITH US!

Please pray for their leaders to have the mind of Christ and lead in unity. Pray for the students to grow in love—physically and spiritually.

### 1L MERCH:

We are stoked on our most recent order of One Love ‘Ohana stickers and shirts! Stay tuned for the re-opening of our online store coming soon!

### PRAY WITH US!

Please pray for wisdom and stamina as we pour into merch with a mission. Pray for God’s favor and that 1L products would be a blessing!
